Allowable Subject Matter

Claims 1-12 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claims 1-11, the cited prior art does not disclose, teach or suggest, alone or in combination, the combination of an electrical cable comprising a flexible ribbon consisting solely of a plurality of non-coaxial parallel electrical conductors embedded in an insulating material for insulating each of the plurality of electrical conductors from the others of the plurality of electrical conductors; a first conforming flexible electrical shield covering the ribbon; a flexible insulating layer covering the first ^{OR 11/29/04} conforming flexible electrical shield; and a second conforming flexible electrical shield covering the insulating layer.

With respect to claim 12, the cited prior art does not disclose, teach or suggest, alone or in combination, the limitation of an electrical cable comprising a first conforming flexible electrical shield comprising a pleated metal foil covering a ribbon and a second conforming flexible electrical shield comprising a pleated metal foil covering an insulating layer covering the first conforming flexible electrical shield.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
